

Internship programme National Nanofabrication Centre

**Join National Nanofabrication Centre (NNfC), IISc, Bangalore
Contribute to India's advanced technologies**

If you are a recent diploma or B.Sc graduate and looking for an opportunity to work in an advanced technology then look no further than National nanofabrication Centre (NNfC) at Indian Institute of Science, Bangalore

NNfC is an equal opportunity national facility and part of Centre for nanoscience and engineering (CeNSE), situated in the beautiful campus of Indian Institute of Science, Bangalore. Equipped with state of the art nanofabrication capabilities, NNfC offers an excellent platform for advanced research and fabrication facility.

What does it mean to work in NNfC?

An excellent opportunity to be in the forefront of international nanofabrication community.
Contribute to our national aspiration of "Make in India" movement.
Working with state of the art fabrication tools and processes.
Deeply involve in current and future advanced research and technologies.
A great platform for your future endeavours into Nano technologies.

Career development and growth opportunities

NNfC gives you a platform to freely interact with researchers and improve your personal skills in science and technology. We even encourage entrepreneurship.

How to be a part of NNfC?

Internship programme offers and excellent opportunity to train and explore micro and nanofabrication. The selection will be strictly through written test and interview.
A certificate will be awarded to all candidates who have successfully completed the training.

Internship candidates can appear for a job interview at NNfC. Successful candidates will be considered for the following positions.

Equipment Technologists (ET) with a starting salary from ₹14,000 to ₹18,000 /month

Minimum qualifications for internship: Applicants should have completed Diploma or BSc (Electronics, ECE, electrical and electronics, materials, Physics, Chemistry, Nanotechnology or related subjects), Willingness to work in the evening shift (2-10pm) if selected

Stipend*: Rs. 5000/month as an internship stipend upon completion of the programme.

Interested candidates may apply online by sending their resumes to nnfc.cense@iisc.ac.in

*No TA/DA will be provided for written test/interview attendees. No accommodation will be provided during internship
